Building Community Through Giving

In 2017, CVCF awarded \$1500 to American Legion Post 12 to help pay for the production and installation of a mural. This beautiful wall mural was produced by local artist Merrick Bochart and installed by Merrick and her husband Joey Jacobson. It recognizes all branches of the military, and it beautifies the east wall of the American Legion hall in downtown Haines.

Veterans mural by Merrick Bochart, mounted on American Legion #12 building.
